

WE'RE THE JACK-O'LANTERNS

Up and down the cornfield,
Goblins you will see.
Creatures with the strangest eyes
You will try to flee!
We're the Jack-o'Lanterns!
Fiercest ever seen!
We don't care
Who we scare
On dark Hallowe'en!

And when in our cornfield
Little friends we see,
Then we chuckle with delight,
Pleased as we can be!
For we know we'll nab them
In a hurried flight!
