

OCTOBER BRINGS US HALLOWE'EN

October brings us Hallowe'en,
A spooky time, it's true,
When Jack-O'Lantern's flaming eyes
Seem like they're watching you!

The black cat's howling at the moon,
A witch goes flying by;
And in the distance you can hear
A goblin's mournful cry.

October brings us Hallowe'en,
A spooky time, it's true,
Be careful or, before you know,
A ghost will scare you... BOO!
