

# JACK-O-LANTERNS WE!

See us fiercely stare at you,  
Flash our eyes of fiery hue;  
Jack-o-lanterns we!  
Our mouths are grinning widely so,  
And ghostly bright our faces glow.  
Boo-oo-oo!

Baked in pies we're very nice,  
Everyone will have a slice;  
Jack-o-lanterns we!  
But if they see us out at night  
They're sure to have an awful fright.  
Boo-oo-oo!
