

WEATHER SONG

How's The Weather

What's the weather like today?

Let's go outside and see!

How's the weather when we go
outside?

Is it warm? Is it cold? What's the
weather like?

How's the weather when we go
outside?

Is it sunny? Is it rainy? What's the
weather like?

The clouds cover the sun.

The sky looks so gray.

It's cloudy. It's cloudy. It's a cloudy
day!

Look! The clouds are clearing.

The sun is shining bright.

The clouds all went away.

It's sunny. It's sunny. It's a sunny day!

How's the weather when we go
outside?

Is it warm? Is it cold? What's the
weather like?

The weather is so cold

I have to wear a coat.

It's cold. It's cold.

It's a cold day!

Is it cold where you are?

No here it is warm!

The weather is so warm

I can wear my shorts.

It's warm. It's warm.

It's a warm day!

How's the weather when we go
outside?

Is it warm? Is it cold? What's the
weather like?

I hear the wind blowing.

I see the trees swaying.

It's windy. It's windy.

It's so windy!

Rain is falling on my head.

Now everything is wet.

It's raining. It's raining.

Now it's raining!

Snow is falling from the sky.

It's so fluffy! It's so white!

It's snowing. It's snowing.

Look it's snowing!

How's the weather when we go
outside?

Is it warm? Is it cold? What's the
weather like?

These are just some kinds of weather
but there's so many more.
