

CHRISTMAS TIME

Jesus was born at Christmas time
He brought a gift of love to all mankind
His love is there for all to share
It lifts the spirits of people everywhere

No greater man could ever we find
Than this man who was born at Christmas time
He brought great tiding of peace and joy
To every man, woman, little girl and boy

His love lingers in our hearts and in our minds
And surrounds us all at Christmas time
With joyous gratitude, let us together say,
"Merry Christmas, Jesus, Happy Birthday."
