

HERO DAD

You are my hero, Dad
You're my secure foundation.
When I think of you, I'm filled with love
And fond appreciation.

You make me feel protected;
I'm sheltered by your care.
You're always my true friend; and Dad,
When I need you, you're always there.
You have a place of honor
Deep within my heart.
You've been my superhero, Dad,
Right from the very start.
