

IT'S CHRISTMAS TIME

The scenes of the season
Can be seen and heard all around
From the church bells ringing
To the lights in old downtown

The wind is chilled
With the winters air
You can tell its Christmas
It's everywhere

The sounds you hear
The sights you see
All say Merry Christmas
To you from me

Enjoy the season
Give thanks in prayer
For God's Son He has given
For people everywhere
(Robert Blankenship)
